ORDER

Before the court are the Findings, Conclusions, and Recommendations of the United States Magistrate Judge, filed December 6, 2007. Plaintiff filed objections to the findings and recommendation on December 17, 2007.

The magistrate judge recommends that the court deny Plaintiff's Motion to Proceed *In Forma Pauperis*, filed October 29, 2007. The magistrate judge concluded that Plaintiff had sufficient financial resources to pay the filing fee for her appeal. Plaintiff has filed a notice of objection, but does not make any specific objection to the court's findings and conclusions. Accordingly, the court **overrules** Plaintiff's objection, **accepts** the magistrate judge's findings and conclusions, and **denies** Plaintiff's Motion to Proceed *In Forma Pauperis*.

It is so ordered this 19th day of December, 2007.

United States District Judge
